Agreement

I accept the terms and conditions as per RFQ.

RULES OF DUTCH AUCTION:

- Start Price: Buyer sets the lowest acceptable price.
- One Chance: Each supplier has only one chance to accept the price.
- Auto Price Increase: If no one accepts, price increases at fixed intervals.
- First Accept Wins: First to accept gets the business, subject to TSL approval.

RULES OF JAPANESE AUCTION:

- The auction has multiple rounds with a "decreasing asking" price each time.
- Supplier/bidder must accept the "asking price" within the given "time" to move to the next round.
- Suppliers who reject or don't accept the price will be disqualified from further rounds.
- All accepted prices are binding on supplier, subject to buyer's approval.
- The supplier who accepts the lowest price in "all rounds" will be the presumptive winner, subject to buyer's approval.
- Buyer reserves to right split the business, negotiate post auction or even reject all bids.
